BE PROACTIVE IN YOUR HEALTH

Did you know that you can schedule testing or imaging at IHS without the need for a doctor's order? At IHS, we prioritize our patients' health and encourage them to be proactive in detecting and preventing health ailments and diseases.

All of these services are available without an order::

- CT Coronary Calcium Scoring
- CT Low Dose Lung Cancer Screening
- Screening Mammogram

DID YOU KNOW?

ACCORDING TO THE AMERICAN CANCER SOCIETY, THE 5-YEAR SURVIVAL RATE FOR MANY CANCERS IS OVER 90% WHEN DETECTED EARLY.

Source: American Cancer Society's "Crucial Catch" campaign with the NFL.

NEW BILLING SYSTEM!

We are very excited to announce that we have partnered with Healthcare Administrative Partners (HAP) to manage all of our core revenue cycle services, which means an entirely new billing system will be rolling out soon. Stay tuned for more information and details on our website imaginghealthcare.com

SELF SCHEDULING IS EASY WITH IHS

Scheduling imaging exams at Imaging Healthcare Specialists is now more convenient than ever with our online scheduling tool!

Once we receive and review your patient's order, we will send them a link via email or text message to easily self-schedule their exam!

For healthcare providers, the process is just as seamless. Through our provider portal, practices can directly schedule exams for their patients.

If you don't yet have access to the MyIHS provider portal, simply visit our website at www.imaginghealthcare.com/myihs-providers/ to request access.

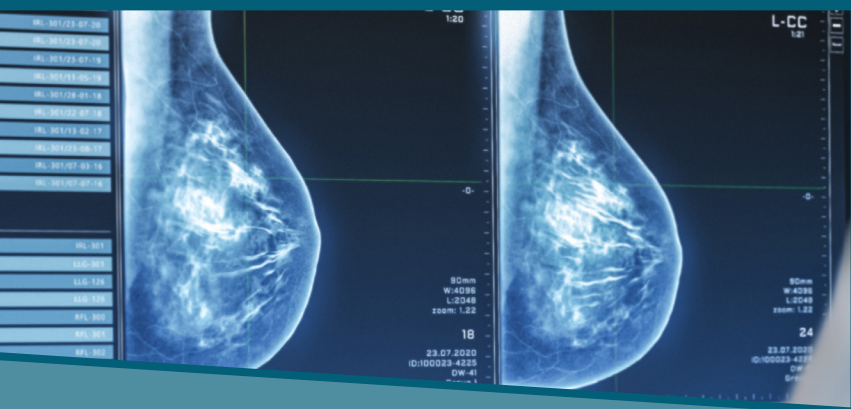

Scheduling has never been this easy!

MAMMOGRAM UPDATE!

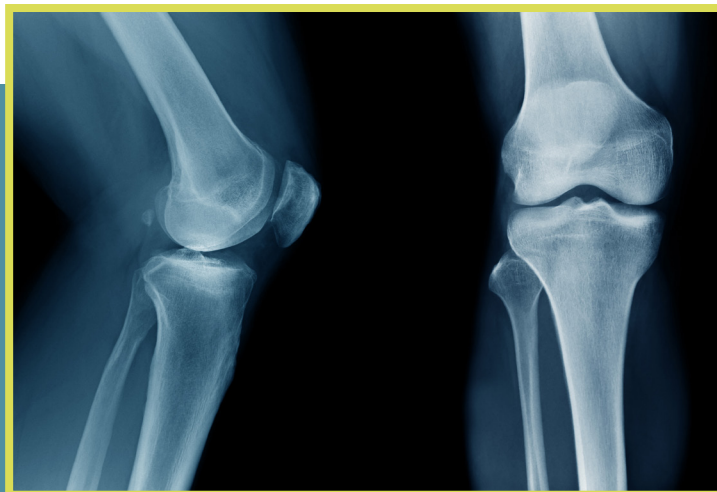

- IHS no longer requires three years of priors for screening mammograms.
- Same-day or next-day appointments available now.
- Regular mammograms should begin for females at age 40 and continue every year until age 74.

CONVENIENT X-RAY SERVICES AT IHS

Self-scheduling is also available for X-Ray services allowing patients to choose appointment times that best fit their schedules. Walk-in availability is limited, so we recommend scheduling in advance to ensure a smooth and efficient experience. For more information or to make inquiries, please email xrayinfo@imaginghealthcare.com.

Prostate MRI-guided biopsies are no longer being performed, as the manufacturer has discontinued the production of the necessary MRI safe needles. These procedures are unavailable at any other facilities.

Next Day Appointments Available

We are excited to announce that we now have availability within 3 days for both mammograms and DEXA bone densitometry tests.

Where are these tests offered?

- Mammograms are offered at our San Diego, Oceanside, Encinitas, La Jolla, Hillcrest, National City and Chula Vista locations.
- DEXA scans are offered at our San Diego, Encinitas, Kearny Mesa and Chula Vista locations.
